Where Augustana DPT Colorado can currently hire Lab Faculty

Augustana DPT-CO | State list as of November 24, 2025 · revised July 22, 2026

Augustana University's operational footprint determines which states we can currently hire Lab Faculty from. Your state of permanent residence (used for tax purposes) must be on the list below.

Arizona	Colorado	Florida	Georgia
Iowa	Indiana	Maryland	Michigan
Minnesota	Missouri	Nebraska	New Jersey
North Carolina	North Dakota	Pennsylvania	South Carolina
South Dakota	Tennessee	Texas	Washington
Wisconsin	Wyoming		

Military exception

For active-duty military personnel, Augustana may use home of residence if that state is on the list above, which may differ from the state of active service. The Handbook 1.10.7 home-of-residence rule applies.

If you live outside the hireable states

Reach out anyway. We maintain a future-hire list. As Augustana's operational footprint expands, we add states. Send your name, state, and content area to cjuneau@augie.edu.

If you also teach for Augustana's Minnesota DPT program

Augustana runs a separate DPT program in Minnesota. For cost-center and federal reporting reasons, HR does not allow one person to be employed by DPT-Minnesota and DPT-Colorado in the SAME semester or mini-semester. Teaching for the two programs in DIFFERENT semesters is fine - for example, anatomy for Colorado in the spring and aging adult for Minnesota in the fall. If you currently teach for the Minnesota program, let us know and we will coordinate your Colorado labs around that rule.
